

### By subway

On exiting Kamiyacho station from exit 4a, please take a right. Go across the crossing towards TSUTAYA and take a right. Walk straight to the building with Family Mart, and enter from the main entrance. After going through security, please take the elevator on the left to the 16th floor.

\* Upon entering our building, you will be asked to present an ID with your photo or two of your business cards due to security reasons, by the guards standing before the elevator hall.
